## CERTIFICATIONS

PW Institute of Innovation | -

October 2023 – April 2027

Bangalore, Karnataka

B.S. in Data Science and AI

## PROJECTS

Agrictech |  | 

February, 2024

- Problem** - In today's modern world farmer are still very far away from technologies which is a major issue for our nation's future.
- Solution** - We thought of a device called Water Level Adjuster and also created a UI design of our application which would be easy to understand for farmers.
